

WHO IS WINNER OF PENNANT IN THE CACTUS BASEBALL LEAGUE?

El Paso Leads if Games Actually Played Are to Be Counted; Otherwise Cananea Is at the Top.

Again, which club is the champion of the Cactus league?

Cananea has been claiming the pennant because of the standing this club had at the end of the season. El Paso and Douglas had a tie game to play off from the regular schedule, the winning of which would give El Paso the rag on games actually played and won. This game was played Thursday afternoon and El Paso won with ease.

Enter Victor Walling, manager of the Cananea club, by way of the Western Union wire letter service. V. R. says in brief: "Please remember we have four forfeited Blisbee games to our credit, which gives us the championship unquestionably."

This puts it up to a baseball arbitration board to decide just which of the prickly pear circuit teams finished at the top of the ladder.

Remembered Fat Men's Game.
Like a game (by courtesy) between the fat men and the lean men with a keg of beer at every base, was the exhibition of baseball at Washington park Thursday afternoon. The El Paso and Douglas teams were supposed to furnish the opposition, but little developed. The game was finally brought to a close, glory be, with El Paso leading in the score of 10 to 6.

Hits and errors were as numerous as June bugs in June. El Paso being credited with an even dozen of safe ones and seven errors. The Douglas Dons secured nine hits, at seemingly inopportune times, and topped El Paso's error column, nine bingles being placed to their discredit. Blame it on the cold weather and occasional sand storm, if you want to, but lack of interest and ambition to play ball is a more plausible reason.

Seventy-two-Count 'Em.
By actual count, 72 chilled fans and fanesies were in the grandstand when the game passed the eight inning stage, and about as many more were in the grandstand. Three-base hits were at a discount. El Paso having already clinched the game when Stovall and Jones made long drives.

Don't Forget "Ducky."
Oh yes, don't forget his ump. "Ducky" Gowen, whose decisions were about on a par with the error column. But it didn't make any difference, the players not having enough enthusiasm to kick. Probably Ducky also was cold.

Douglas Starts the Scoring.
Douglas opened the scoring in the first inning, leading off with three. Knapp, Mills and Harper, starting the fireworks. That ended the first, but getting until the sixth, when Matthews was allowed to steal home. In the eighth Harper got to second on an error, stole third and came home on Ward's hit. In the ninth Snapp scored. El Paso tied the score, making it three to three, in the fourth inning, Graham scoring in the third and Brewster and Wolfe beating it home in the fourth on Graham's hit.

Enthusiasm was lacking, so El Paso proceeded to score three more in the fifth. Ketchum came in on a wild throw by Carlson and Stovall and Brewster finished rounding the bases, following Wolfe's safe hit through second. In the sixth the Mavericks annexed three more, Stovall and Jones each making three-base hits, followed by Brewster who singled, stole second, or rather was permitted to steal, went to third on a wild throw intended to stop him at second, and concluded by stealing home. In the seventh, Flick hit for two bases, was advanced to third on a sacrifice by Jackson, and then beat the ball home after Graham's high fly to center was caught.

Kane opened the game on the mound

for Douglas, but was relieved, not for cause, in the last half of the seventh, when Powell went in to bat for him. In the first of the eighth Powell was sent to left field and Harper took the mound. Mills came in to catch.

Olmstead and Wolfe composed the opening battery for El Paso, but Gray filled in the first half of the ninth.

Following is the score by innings:

Score by Innings.
R. H. E.
Douglas... 3 0 0 0 1 0 1 1—6 10 9
El Paso... 0 1 2 3 3 1 0 2—10 12 7
Batteries: Douglas, Kane and Harper; El Paso, Olmstead and Wolfe.

HERMAN READY TO FIGHT FOGEL

Cincinnati, O., Oct. 28.—President August Hermann, of the Cincinnati baseball club, when informed that president Horace Fogel, of the Philadelphia team, had asked president Lynch, of the National league, to warn Mr. Hermann "not to tamper with the Philadelphia players," said:

"If Fogel is trying to scare anyone, he is likely to be surprised shortly, inasmuch as I have ordered my stenographers to ascertain the addresses of Grant, McQuillen, Moren and Bates, and as soon as I have them, I will open up negotiations with them with a view to signing them for the season of 1911. They belong to the Cincinnati club and I have no doubt but what they will play with us next season."

"I see that some mention of the national commission has been made. The national commission has nothing to do with this question. I cannot see how it could have. But I do not anticipate any fight when facts are known and unless someone tries to claim my players, I cannot say what I would do."

WINGO ANDERSON COMING FOR FAIR

Wingo Anderson, the phenom pitcher, who holds the palm for popularity with El Paso fans, is to be here to participate in the fair tournament. Pip Carson has received a letter from Anderson at his home in Alvarado, Texas, where he has been resting since he left El Paso, in which he says he is stronger and in better trim than he was last year when he pitched such great ball for El Paso in the fair series against Christy Mathewson and Rube Waddell.

Wingo has not yet been signed by the El Paso club, but will probably appear in the blue and white uniform of the locals during the tournament. He is expected to arrive Saturday.

ABE ATTELL WHIPS MACKEY WITH EASE

New York, Oct. 28.—"Biz" Mackey, of Cleveland, proved an easy mark for A. B. Attell, featherweight champion, in their bout last night. After Attell had floored the Cleveland man three times in the sixth round, the latter's seconds crawled into the ring and hauled Mackey into his corner.

The bout was to be 10 rounds, but Attell demonstrated his superiority before two rounds had progressed.

A clean hard one to the body knocked Mackey down the first time in the sixth and as he rose, a right hand swing to the jaw toppled him over again. A right to the jaw ended the battle.

RACING DOPE.

At Latonia, Ky., yesterday, Meisande met her match in the handicap, the feature race, when she went down to defeat before Merrick in a six furlong dash. The result was never in doubt. Merrick was off in good position and shooting to the front in the first few jumps, put three lengths between himself and the field before the stretch was reached.

A drizzling rain interfered somewhat with the attendance and racing at Baltimore Thursday. The owners' handicap steeplechase, the carded feature, went to Duffield, a well backed first choice in a pretty race. The day's feature was the winning of the fifth race, a distance affair, by El Oro, a 40 to 1 shot, with apparent ease. The winner had gained some reputation by a race at the recent Marlborough meet, but it was the greatest sort of a surprise when he took Hilltop's measure.

At Latonia yesterday jockeys Herbert and McTaggart were suspended after the last race for disobedience at the post and jockey Rice was suspended for five days and fined \$50 for rough riding in the fourth race.

TELLS PUPILS TO MASTER PROBLEMS

Founder of the Agricultural College Gives Helpful Talk to Students.

Agricultural College, N. M., Oct. 28.—One of the most forceful talks delivered here this year was given during the last assembly by New Mexico's venerable educator, professor Hiram Hadley, first president of the college and its founder.

He showed the value of a theoretical training as against the practical training—how each are dependent upon the other. He cited the complicated age in which we live and the competition of the human minds in the mastery of the great problems of today. He suggested to the students to conquer the hard things in the school life and shun the easiest.

The Athletic association has more students in it this year than any preceding year known. There are now 150 registered. The tennis courts during a great part of the time are occupied by players, especially among the girls. Many of the girls are turning out for basketball also. In a short while the boys' basketball team will be organized and actual practice begun. Friday afternoon the El Paso team will be here to play football against the first eleven. School will be dismissed for the game. The field has been irrigated and will be in very good condition for playing.

The seniors and juniors will be entertained by the Alumni association at the home of Oscar Snow at La Mesilla Friday night.

The battalion of cadets formed on the parade ground for instruction under Maj. Charles P. George. The dress uniforms have not come yet, so the service uniform is in use all the time.

The college orchestra is now organized and has been practicing under the leadership of Mrs. Sexton of Las Cruces; however, Miss Morrison, the music director, will take charge now.

Mrs. Nagel and her daughter, Miss Florence Nagel, of South Haven, Michigan, are visiting with Mrs. C. P. Higgin, who is another daughter of Mrs. Nagel.

Miss Gladys Merriman entered college as a pupil recently.

Harry Jones, until the last few years an El Paso boy, had to go to doctor Gierber to have the stub of his arm attended to. One of the boys accidentally struck the stub and caused it to break. The new break was somewhat painful and had to be attended to at once.

WILLIAM DUNBAR IS BADLY HURT BY A HORSE

Las Cruces, N. M., Oct. 28.—William Dunbar is suffering from severe bruises received while riding over the Schneider and Willis ranch, north of Las Cruces.

The horse which he was riding became frightened and got from his control. After running for quite a distance the horse ran into a barbed wire fence, throwing Dunbar over into the next field. He was picked up by his companions and hurried to Las Cruces, where medical aid was secured. It was found that he was badly bruised but has no bones broken, and no serious results are anticipated.

New York, Oct. 28.—"Football is the poorest sport in existence," according to president Nicholas Murray Butler, who gives his views in the Columbia Spectator.

"To revive the game would be a step back into the middle ages."
